TRIUMPH TRIBUNE: MAY 2011

Welcome to your Triumph Tribune highlighting the Tribulations of the South Yorkshire Brigade. Our aim is to have something for everyone and as with all local TSSC groups, it relies on volunteers and works best when everyone pitches in where they can. Our "home", The Crown Inn at Barnburgh, offers us complimentary snacks, and our room enjoys easy access to an outdoor terrace, leading onto our exclusive car park.

If you're new to the meetings (or thinking of coming along) you are very welcome. Between us we own (or have owned) most of the Triumph models and are happy to share (and equally keen to pick up) knowledge & experience. Please make yourself known to Paula, and get the most out of your area.

LAST MONTH'S EVENTS

W Yorks Drive it Day- National Railway Museum

Thanks to Ian for the following write up -

Ah the glorious 17th or to the aficionados of all things classic, the National Drive it Day or to some, the first official run in their pride and joy! We decided to join So a small gathering of members John & Maggie (GT6), Dave & Sheila (MGB GT) and yours truly, plus her indoors, Alice (Bond GTS4) set off into convoy to join the TSSC run which came from Leeds at Askham Bar, on the outskirts of York. Once again I got pushed to the front as lead, does no one else know their way around Yorkshire?! So with the Bond running like a bag of s***, we trundled up the A19 towards York.

We duly arrived at the Tesco car park to one lone TR6, the owner thinking he may have got the location wrong. The 7 of us stood around talking and we soon began to think the same with many classics passing, but not calling. However just as we were about to give up hope, a steady stream of cars appeared. 2 Austins, 2 Vitesses, GT6, Spitfire and the list goes on. The only thing missing was the Organizer to hand out the entry tickets. So at 10.15am, some 15 minutes late, we set off in convoy towards the National Railway Museum. It lasted quite well until we hit traffic lights at the nasemire, ie York Racecourse. Once we had all settled in a suitable spot it was the usual thing of the ladies standing around chatting and the men all buried under the bonnets of cars.

It's many years since my last visit to the NRM, so I was delighted to see the format had changed and that exhibits from other countries have been introduced. The sheer scale of some trains is truly breathtaking. When you look around at some of the British achievements, it's easy to see why we were world leaders.

After a few hours, the natives were complaining of grumbling stomachs, so it was off to the picnic area. Mr & Mrs Kelly were determined to embarrass the rest of our party by putting out plates and serviettes, although it didn't make the sarnies taste any better!

A vote was then taken and a walk into York agreed upon. Funny how it didn't last long, by the third pub, a lot of sun soaking and a nice stroll by the river, it was time to make tracks for home. The scenic route was taken via

Naburn, Stillingflete and Cawood into Selby and back down the A19, a good day with great company.

Hallamshire Meet. A sunny evening's run, a quiz and get together made for a very enjoyable midweek break.

SY TSSC easter Kidz Klub

A great success with 8 kids, Mya, Rhianne, Tilly, Beth, Charlotte, James, Lewis, and Tia enjoying the Easter-themed activities, egg hunt and just chilling out together.

Look out for another SY TSSC Kidz Klub in the summer holidays.

Misson Classic Car Meet

An impromptu run, saw 11 of us enjoy a sunny afternoon chilling with friends.

As well as the Triumphs, there was a wide range of other classics, including a Ford Zephyr convertible, a couple of hot rods, a MGA and a Corvette

CLUB FUNDS/MONTHLY BRAIN TEASER

Thanks to Steve , who very kindly donated back his football card winnings, so £15 into club funds. With £10 taken out as agreed at April's meet, for Easter eggs, club funds now stand at £243.70 Unfortunately, I was unable to redeem the club shop vouchers kindly donated by Richard, as they had expired.

AND FINALLY ...

Special thanks go this month to Ian for his Drive it Day write up, Richard & Julie for offering to host this years BBQ and for making Xmas meal inquiries. (Other offers of help with these two events, welcome)
