

Triumph Tribune : May 2012

Good evening and welcome

Once again it's been a quiet month but we do have two outings of interest coming up.

Blayton

Several members made a visit to this new local racing circuit, with a variety of cars including Spitfires, GT6s and larger saloons. The weather though a little damp at times did not dampen the enthusiasm shown by those taking part. One or two spins, opposites locking and one sick Mr2 engine, but an excellent day, enjoyed by all who attended. Colin has a good selection of photographs on his laptop for anyone of interest.

St Georges Day

Had the weather been better, this would have been a spectacular day in Morley. Several groups turned out to parade through the town centre and return to the sports ground. There were static displays from Dads Army, Knights in Armour and Cromwell's Round Heads, plus several others. The lady Mayor looked quite striking in her ceremonial dress and a pair of willies. For fear of getting bogged down in the rising water level, we decided to leave around 2pm. Definitely a date for next year, hopefully with better weather!

Courier

Most of you who have received this month's mag will have noticed that our area did not get a write-up. An article was sent by email before the deadline. The gist of it as follows:

The turnout for the club nights over the past 3 months have not been too good, perhaps due to the bad weather. Events for the coming year are arriving on a regular basis, so it looks like being a full calendar. Several members have joined the Practical Classic Track Day on the 19th of April at Blayton, so are busy preparing their car for an enjoyable day. We are looking forward to the National Drive it Day on the 22nd April and from then on we have events most weekends. When the season gets under way fully, I will report in more detail about the various events we attend. So until next time! Regards, Ian

Runswick Bay

The annual pilgrimage is later this month, so all members who are attending – we wish you an enjoyable and pleasant weekend.

Last of All

My thanks go to Jan and Malcolm for setting this month's quiz.

Would a volunteer please step forward to set May's quiz.
